

Cloudest Consulting Limited operates this website to provide information and contact services.

Cloudest Consulting Limited is committed to protecting users' privacy and addressing potential privacy concerns. The following information has been posted to help you understand what private information we collect and how your information is used.

Types of private information collected

To best serve your needs, we collect the following types of information when you visit (website).

Personal information

We collect the following personal information from our users:

- *Name*
- *Phone number*
- *Email address*

You can always choose to provide less information. However, omitting some of this personal information may limit your ability to access all of the benefits of our website and services. For example, we will not be able to process transactions without payment information and a billing address, or ship goods without your name and mailing address.

Automatically collected information

We do not collect cookies for the purpose of analytics on our website. We use Fathom analytics (<https://usefathom.com>) rather than Google Analytics as we respect your privacy.

How the information collected is used

We only use the information you choose to provide when making an enquiry, in order to follow up and respond to your enquiry.

Length of time personal information is stored

We may store your personal information for an extended period of time, depending on how we need to use the information. For example, we'll keep your email address and name on file as long as you have contact or a business arrangement with us.

Who the information is shared with

We may share your information with third parties, but only those affiliates that Cloudest Consulting Limited has fully vetted and created a partnership with.

The only reason we will ever share your information with affiliates is to manage the account and communicate with you.

- *Processing transactions*
- *Fulfilling and delivering orders*
- *Measuring marketing and advertising performance*
- *Providing excellent customer service*
- *Issuing email and text message communications*

Information Security

We do our best to keep your private information secure and safe. Most of your personal information is encrypted and is therefore protected from being accessed by outside users. However, data leaks and malicious attacks do happen. Please understand that while we do our best to protect your data, providing your personal information is at your own risk.

Ability to decline to provide personal information

You can, of course, decline to disclose your personal information to us. However, the failure to provide us with pertinent information may limit your ability to fully benefit from Cloudest Consulting Limited and all of its offerings. Remember, we only ask for personal information that can help us fully provide our services to our customers.

Additional questions

If you have questions regarding this privacy policy, feel free to contact us using the website contact form. A Cloudest Consulting Limited representative will respond to your privacy policy questions as soon as possible.

Policy update

This privacy policy was last updated on 30 Jan 2023. If we adjust the privacy policy, we will email all account holders of this change and post the most recent update date here. Once posted, the new privacy policy shall be effective immediately.
